Local 49 Sacramento

A Historic Strike

June 27th, 1977: The last time Local 49 went on strike. Twenty-six members walked off the job at The Rosemount Grill. Members were on strike for 36 days fighting for healthcare, pension, and wages; before winning a 3-year agreement. 47 years later, Sacramento hospitality workers are ready for another fight.

Early Morning Walk Out

October 9th, 2024 4 am: After months of unsuccessful bargaining; workers walked out of the Sheraton Grand Hotel. Throughout the day they were joined by almost 100 coworkers and supported by fellow Local 49 members, and leaders of the labor movement from Unite Here Local 2, SEIU, The California Teachers Association, Sacramento Area Firefighters, and the California Labor Federation.
